

PV solar Cable & Solar power station fence & PV solar cable Tray

PV solar cable	Part No.	SR-CAB-01	Solar power station fence	Part No.	SR-FEN-01
	Material	Copper		Material	Q235b
	Finish	N/A		Finish	N/A
	Size	PV1-F1*4		Size	Customers' demand

PV solar Cable Tray			Part No.	SR-BRI-01	Introduction
  	Material	Steel		Cable Support Systems are designed and manufactured with a structural integrity normally only associated with steel and aluminium, but without their corrosion, weight and electrical conductivity problems.	
	Finish	Coating			
	Size	200*50*2000mm
